I am an author of a poster submission or meshing contest submission for the SIAM International Meshing Roundtable Workshop 2027 (SIAM IMR27), whose title is listed below. If I am one of multiple coauthors, I certify that I am authorized to respond on behalf of all coauthors.

If the poster submission or meshing contest submission titled below is accepted for participation in SIAM IMR27, I (and my coauthors):

- ☐ Give permission
- ☐ Do not give permission

for the submission to be posted online by the IMR Steering and Organizing Committees on official IMR websites and social-media accounts, including LinkedIn and internationalmeshingroundtable.com, to publicize the work submitted to IMR. For meshing contest submissions, this permission also authorizes the winning submission to be reproduced on the following year's IMR T-shirt and related IMR promotional materials. I understand that acceptance of my submission will not be affected by my decision to opt in or out of online posting. However, if I do not give permission, my submission will not be considered for the applicable best poster award or the Meshing Maestro Award.
